(CLOUT)

UNCITRAL index of the United Nations Convention on Contracts for the International Sale of Goods

1. This document contains the updated consolidated index to the Sales Convention (Part I) and covers all CISG cases having appeared in documents A/CN.9/SER.C/ABSTRACTS/1 to 22. It supersedes document A/CN.9/SER.C/Index/2/Rev.1, dated 3 June 1997, which covered CISG cases set out in documents A/CN.9/SER.C/ABSTRACTS/1 to 12. The index is based on the thesaurus (document A/CN.9/SER.C/INDEX/1) and lists cases under the pertinent provision of the Sales Convention and the sub-issue with which each particular case deals.

2. Court decisions are listed alphabetically by country with an indication of the year of the decision and the CLOUT number of the case. Arbitral awards are identified as such and are listed by year of issue with an indication of the case number. Further consolidated indices will be published periodically as subsequent revisions to this document.

3. Under each sub-issue listed below, bold entries signify new cases contained in documents A/CN.9/SER.C/ABSTRACTS/13 to 22.

4. In order to facilitate research on the cases published in CLOUT, two additional indexes (Part II) to all abstracts published in CLOUT have been prepared. Section A of Part II sets forth an index by State/entity where CLOUT cases have originated and Section B of Part II sets forth an index by the year of the cases that have appeared in CLOUT.

5. It should be noted that all CLOUT documents are available on the website of the UNCITRAL secretariat on the Internet (http://www.un.or.at/uncitral).
